

PISTOL AUSTRALIA INC.

PRIVACY STATEMENT

Pistol Australia is committed to the protection of your personal information. Any personal information you provide to Pistol Australia will be used for those purposes for which the information was gathered as stated and related purposes, which can be reasonably expected.

Pistol Australia will not disclose any personally identifiable information obtained from you to other parties or for purposes other than those stated above, unless you provide your written consent to us with the following expectations:

1. Where there are grounds to believe that disclosure is required in order to prevent a threat to health or life;
2. Where Pistol Australia suspects that unlawful activity is or has been engaged in, such personal information may be used to investigate the suspected unlawful activity; or
3. The use is authorised by law or reasonably necessary to enforce the law.

Information that you provide through various means will be kept safe and secure within Pistol Australia.

Pistol Australia may also use your personal information for the purpose of direct marketing in relation to promotional activities where it is impracticable for us to obtain your prior written consent. However, when Pistol Australia does this, we will provide an express option for you to decline receiving any further marketing communications from Pistol Australia, via an optout mechanism. Pistol Australia will only send you emails if you have elected to receive such emails or if they are in response to an email we have received from you.

At any time, you may also notify Pistol Australia in writing if you do not wish to receive marketing material or other communication from Pistol Australia. Send such request(s) to:
