### PISTOL AUSTRALIA

#### HOLSTER ACCREDITATION

Expired Pistol Australia holster accreditation causes problems for the organisers of PSQ sanctioned events and/or club competitions requiring the use of a holster. PSQ's Holster Accreditation Coordinator, Ted Collins, sends out reminders to members but this reminder is not always followed up by the member. To assist members to keep their Holster Accreditation current the PSQ Board advises the following:

- Clubs which are conducting holster events at their PSQ sanctioned Opens are asked to include a space for the entrant to include the expiry date of his/her holster accreditation on the entry form.
- In the instance of a member arriving at a competition with an expired holster card the following will need to be in place for him/her to compete at that event:
  3. The competitor will need to provide a dated copy of his/her renewal paperwork sent to the PSQ Holster Coordinator prior to arriving to compete; and
  4. The competitor will need to produce his/her previous (now expired) holster card.

If these documents cannot be produced, the competitor is unable to participate in any holster event at that time. ... all to do with the match rules; risk management and insurance cover

**SHOOTING AUSTRALIA:  
COME AND TRY MAY**

Seven PSQ Member Clubs jumped on Board to support Shooting Australia in its program where all shooting clubs affiliated to Shooting Australia (Pistol; Rifle and Shotgun) worked together in a joint effort to promote the sport of shooting. PSQ member Clubs are linked to Shooting Australia .... something for your club to consider for 2019?

Registrations are now being taken for 'Come & Try May' 2019.

### ANNUAL GENERAL MEETING 2018

Sunday 04 November

Brisbane International Shooting Centre

Official Notice & deadlines to clubs next week.

### LASER PISTOL SHOOTING

PSQ has purchased two laser pistols which will be used for promotional and marketing purposes and CATS days. The Shooting Australia Laser Pistol Booth at the Commonwealth Games put 1300 people through the experience and gave them a positive introduction to the basic technique of pistol shooting.

### CONGRATULATIONS

Congratulations to Queenslander Dina Aspandiyarova who has been selected in the Australian Women's 10m Air Pistol Team for the ISSF World Championships in Korea, coming up very soon.

Sergei Evglevski and Elena Galiabovitch other the other members of the Pistol section of the Australian Team.

We wish each of them all the best.

### State Government Funding for PSQ under the State Development Program for State Sporting Organisations

Pistol Shooting Queensland receives funding from the State Government each year, for the following initiatives:

- Match Education (Matchucation) days
- CATS (Come and Try Shooting) days
- CATS day promotional material
- Range Officer courses
- Presenters Courses
- Holster Examiner Workshop
- Coach the Shooter workshops/camps
- Club Instructor (Coach) programs
- The conduct of 50+ sanctioned events
- Laser Shooting Education sessions
- Board and Club Governance workshops and policy review
- Annual PSQ Conference
- Club Visits

We are required to give very detailed reports to the Government twice a year to confirm how our funding has been spent and what member participation rates are in each category.

**We need our affiliated clubs and members to help us spend this funding ..... on our members!**

If there are initiatives you would like your club to request, talk to your Committee about this.... these programs are all free!

This funding gives PSQ the opportunity to provide our Member Clubs with many extra services, and PSQ acknowledges and appreciates the support provided by the Queensland Government.
