The Belmont Shooting Complex will soon be host to all the Commonwealth Games Shooting Competitions.

Athletes started arriving on 25 March and a group of volunteers has been on site since then, assisting as range officers and range staff for this training, along with range preparation.

The shooting competitions start on 08 April.

Further to last month's Update and the impact on the PSQ Office:

We will not have access to the PSQ Office from 06 April until after the Games bump-out period which could be late in April. We will advise exact dates as soon as possible.

Thank you to the many PSQ members who have volunteered to work at the Games – it is great to see you all get involved.

Shooting Australia

Come and Try May

Your club has been advised of the Shooting Australia 'Come & Try May' initiative. Shooting Australia is supporting shooting clubs linked to Shooting Australia (Pistol; Big Bore Rifle; Small Bore Rifle; Shotgun and Sporting Clays) to conduct a 'Come & Try Day' in May.

It's good to see that some of our Member Clubs have jumped at the chance to conduct the day on their range – and we are hopeful that your club has registered for this nationwide promotion for the shooting sports and for your club.
