Remembering the Rules

Our Judges have noted a few things around the clubs and have provided a few Rules for your information:

ISSF: 6.7.4.4

Mobile phones or other hand-held communication devices (ie tablets etc); electronic devices or wrist-worn devices (ie smart watches) may not be used by athletes on the firing-line.

Service Pistol; Service Pistol & 25 Yard Service

2.1 Eye Protection

All persons near the firing line MUST wear suitable eye protection during the conduct of the match and practice.

2.4 Holsters

During the course of the competition UNLOADED handguns may be carried in a holster whilst under the control of the Range Officer or Chief Range Officer.

Note: This rule is provided for the convenience of shooters during the Service Pistol Unrestricted and Service 25 Yard matches. For these two matches the placing of a loaded handgun in a holster is specifically prohibited under any circumstances

We encourage all members to come along the PSQ Board welcomes member input and feedback.

Visits to individual clubs are also in the planning stages.

Keep up-to -date with all the latest PSQ information via the PSQ website: Go to

COME & TRY DAYS

Shooting Australia (SA) has again conducted the National Come & Try May program this year - a national program to promote all the shooting sports: pistol; rifle and shotgun.

Well done to the PSQ Clubs which supported this initiative: 8 Clubs registered for May, with 2 other clubs conducting a PSQ supported CATS (Come and Try Shooting) day at another time.

Participation varied from 7 to 80+, so well done whatever your club's numbers may have been.

PSQ has Govt funding to support CATS Days at any PSQ Member Club

We are looking for volunteers for all the following events, and for PSQ competitors too!

Club Reporting to Weapons Licensing

Clubs were recently sent a template for members to use to advise the Club of their participation in Category H competitions at the club, or at another club.

This form can be kept on file by the club.

Weapons Licensing advice is that two things need to be reported to WL, by the Club:

1. If a member is no longer a financial member of the club; and
2. If a member, according to the Club's records, has not participated in the required number of competitions for the 12 month period (or pro-rata period) and has given the club no reason for this.

The participation will be checked by WL when you come to renew your Cat H licence but you must still meet your participation requirements for the designated 12 month period to meet the conditions of a Category H licence.
