I, (name) hereby make application to be accepted as a PSQ State Development Squad and/or Team Member, and if accepted do agree that:

 - (h) be fully conversant with the Rules pertaining to my match/es,
 - (i) submit a written report to the PSQ Board, within thirty (30) days after my participation in the National Championships.
3. If selected as State Team Member, I shall attend relevant State Team Training Camps (subject to funds being available). These camps will be held at suitable locations as arranged by the State Team Manager, prior to the National Championships. (Development Squad members may attend the camps, but will receive no subsidy).
4. If I withdraw from the State Team without a reasonable excuse after acceptance of selection for a National Championships I hereby agree to reimburse PSQ any funds I have received during the relevant selection period.
5. I shall, whenever possible, assist in the conduct of Coaching and Junior Development programs when arranged by PSQ. All reasonable costs of such assistance will be funded by PSQ from funds allocated for such programs.
