The 2024 Pistol Australia ISSF National Championships is around the corner and from now until you arrive you will receive updates to help you navigate your Nationals experience.

'Making the Nationals a sustainable green event'

01

We are going to ask everyone attending to assist us to try and reduce waste & recycle to help make the Nationals a more sustainable greener event – *Thank you*

02

Competition Squadding – our system at BISC is different to what you may be used to and keeping along with sustainability, we will not be producing individual squad sheets, but we will publish the Detail Sheets on our website for you to take a note or photo of your match; Time; Range & Bay.

03

Competition Squadding will be done this week and should be completed by about Friday – but we will let you know when it is posted on our website.

04

LOCATION – if you want to see where to find us; look now at our Nationals News Page on our website.
[Pistol Shooting Queensland \(pistolshootingqld.org.au\)](http://pistolshootingqld.org.au)

05

Ammunition – there is a shop on the site that has .22 & .177 if you require any...we are also chasing up a few other places and will give you further information soon.

06

Yes, there will be a **Nationals Shirt** for sale on your arrival – limited numbers so as we don't have any waste – sourced locally – More on this in next week's update.

07

Whilst you are staying with us, you are welcome to **store your equipment** in the venue's storage facility – details will be provided soon.

08

Dinner – if you are attending the dinner on Sunday evening, we need to know if you are: Gluten Free; Dairy Free; Vegetarian or Egg Free – please advise by 5 May.

09

Sponsors – we ask that you kindly support our sponsors when you can – their names will be posted shortly on our website.
