

EXPAND YOUR KNOWLEDGE

Don't miss this chance to level up your skills! Learn how to check members' equipment like a pro—master trigger weight testing, ensure pistols fit the correct measuring box, and understand sight radius requirements for every match.

Led by a qualified PSQ Volunteer, this hands-on training will give you the confidence and expertise to ensure every pistol meets match regulations. Whether you're a seasoned shooter or just getting started, this session will sharpen your knowledge and keep you ahead of the game!

EQUIPMENT CONTROL TRAINING

WHEN	WHERE
SATURDAY 5 TH APRIL – 9AM	TRAINING ROOM ROCKHAMPTON PISTOL CLUB

Some funding will be available for participants travelling to the training session

Course will cover ISSF; Service Pistol/WA1500 & Black Powder

This is all made possible through the Queensland Government's State Development Program for State Sporting Organisations
